THIS ISSUE'S FEATURE PHOTOGRAPHER EVA SIMON

Based in South Florida, Eva Simon is one of the most recognized fitness/glamour photographers in the U.S. Eva has photographed top fitness competitors from all organizations and her clientele is worldwide. Her work has been published in the U.S. as well as Internationally and has graced such magazine covers as Oxygen, Natural Muscle, Summum, Muscle & Fitness Evolution, Fitness Life, among others including lingerie and swimwear campaigns and catalog work.

A huge advantage in the field is that prior to photography Eva Simon was a commercial, glamour, bikini model for over 6 years and her skills behind the lens were developed while standing in front of the lens, also learning from top photographers and through self teaching. This background, combined with passion for beauty and natural talent is what Eva brings to all her projects.
